

Football players and families - Welcome to Skoftebyns IF!

We are a member-driven non-profit
sports club in Trollhättan.
Our goal is to offer children and teenagers
an active and meaningful leisure time.
Everyone is welcome to us.

This folder contains important information for new members.

We want everyone to enjoy being a member in Skoftebyns IF. Therefore, we have common rules to set clear expectations what the club can offer the members and how you as a member should contribute.

Pay membership fee

To be allowed to play football in Skoftebyns IF, you must pay a membership fee. You can try-out a few times before you pay. If you become a member after the summer break, you only pay half the membership fee.

Find what you need to know on the website

All information is available (in Swedish) on the club's website www.skoftebynsif.nu. Each training group has its own team page on the website.

Read about our policy

The club's rules *Skoftebyns IF Föreningspolicy* can be found on the website (in Swedish). It is important that you know what is expected of our members depending on whether they are players, parents or coaches.

Fill in contact information

The club needs full contact information for each player. The personal identity number is needed for insurances, competition license and grants and is not used in any other context than sports. The contact information is stored in our member register (svenskalag.se) in accordance with the current data protection regulation. Since much of the communication is handled digitally, it is important that you keep the contact information up to date.

Work "team hours" at Slusscaféet

Skoftebyns IF runs Slusscaféet - the café at the locks. There all youth teams and senior teams volunteer a few times per season. We call it "team hours". To be allowed to play matches, it is mandatory to work your team hours.

Joint sales

The club has a few joint sales activities per year, e.g. lotteries. To be allowed to play matches, it is mandatory to participate in these activities.

Earned money goes to the team

All teams have their own team savings ("lagkassa") which is earnings from team hours, joint sales etc. These savings are used for tournaments, camps, etc.

Club clothing

Clothing with Skoftebyns IF profile can be ordered and purchased on several occasions per year, always advertised on the website. Some selected products in the profile catalogue can be purchased year-round in the Stadium store at Överby.

Everyone is needed!

Most of our coaches are parents to players in the teams. They receive no financial compensation for their work, it is all voluntary.

But there are also many other things to do around a team. For example, drive the team to matches, handle the team's savings, administrate the website and organize the Slusscafé schedule.

We encourage all of you to contribute. Everyone can do something!

We hope you will enjoy your time in Skoftebyns IF!
