In this folder, you will find out how “lagtimmar” (team hours) at the café works, and why everyone helping is so important.

This is Slusscaféet

Slusscaféet is a summer café which is open every year from the end of April to the beginning of September.

The café is run by Skoftebyns IF and is a very important source of income for the whole club. It is also one of the biggest employers of youths during the summer in Trollhättan, and many of the employees are players in Skoftebyns IF themselves.

In addition to the employees, all players and parents in Skoftebyns IF help out by working for “free” a couple of times each summer. This is what we call “lagtimmar” (team hours). When someone works their team hours, they do not get paid, instead money is paid to the team and to the youth section on the club. The more people working their team hours, the more money is earned for our football activities.

The team hours also have an important social function for the club. It creates unity and community when teammates are working together at the café, and it is also a way for the kids to experience a job. For many youths, it is also a first step towards getting a summer job at Slusscaféet.

When you arrive at Slusscaféet to work your team hours

There is always someone there to greet you.

You get to write your name in the ledger, and then change into the work clothes provided (t-shirt, apron, and a cap).

After that, you will learn your assignments for the day.

Every day, 2-8 people from different teams will be present working their team hours.

When you get a break, you are allowed to make yourself a light meal: a sandwich with cheese and vegetables, fruit and juice or coffee. If you want something else to eat, you can purchase a meal at a 25% discount.

This is what you can do at Slusscaféet

Wipe the tables

It is important that our guests find our café nice and clean.

Take the dishes in

When the dish rack starts to get full, they should be driven in, next to the kitchen.

Sort the dishes

- Glasses, cups, cutlery, and plates goes to the dishwasher
- Cans goes to the “pant”
- Trash is thrown away

Wash the dishes

The dishwasher is very fast and easy to use.

Refill the cups, glasses, and cutlery

When the dishes are ready, everything should be returned so that the guests can use it again.

Refill the drinks in the fridge

It is important that there are always cold drinks available, and they are quickly consumed on hot days.

Make food

You may be allowed to make shrimp sandwiches, but also prepare for the next day, for example by rinsing salad or cutting tomatoes.

To you who are going to work your team hours

- You are important, and it makes a big difference that you show up!
- If you can't make it, and are not able to find someone to replace you, tell Slusscaféet at cafe@skoftebynsif.nu or 079-3417750.
- If you are not there, one person is missing, which means the people present will have to work extra hard or they will have to bring in extra personnel which means the club won't earn as much money for the football activities.
- If you are not there, your team will not earn as much money as planned, and you might not be able to do all the activities you planned.
- We are very grateful for the contribution you give to our football club by working your team hours at Slusscaféet!

Everyone is needed!
